

**COJAC and Waterview Consulting Group, Inc. presents;**

**Cross Cultural Communication Seminar for local managers work for Japanese companies on 10/12/17 (Thu)**

## **11 Important Facts You Want to Know To Work with Japanese Expat Managers**

**To answer to some of your questions such as ...**

- Why Japanese take so much time to make a decision?
- Do I have to report EVERYTHING to my Japanese boss?!
- He said “Yes”, but nothing happens, WHY??
- My boss never praises me. Am I doing god job here?

**Lecturer: Eriko Imaizumi-Augustus**  
CEO of Waterview Consulting Group, Inc.

Eriko Imaizumi-Augustus is Founder and CEO of New York based Waterview Consulting Group, Inc., a corporate training, executive coaching and E-learning development company. She is a Founding Coach and a Fellow of the Institute for Independent Business (IIB), an international non-profit research, training and accreditation organization in the UK where she received executive coach accreditation in 2010. Her training and seminars, such as Cross Cultural Communication, Management Skills and Coaching Skills training are offered to over 100 companies and she has been invited by Honda to provide training to its suppliers in 2017. She also runs a cross-border consulting firm Izumi Business Solutions LLC since 2004 where she has been helping a Hiroshima based cosmetic brush manufacture to develop markets in the US. Her sole mission is to help grow Japanese companies in overseas through coaching, training and consulting.
